Kubota| Service & Support - Maintenance, Warranty, Safety

The heart of the Kubota generators are Kubota's own diesel engines. Used widely in world-renowned machinery, these sturdily built, one-side-maintenance type diesel engines promise great reliability and service life for almost any application. Kubota is well known as one of the top engine manufacturers in the world, with its long experience.

Kubota Generator

Kubota LOWBOY generators have the lowest-possible height while using Kubota's very own SUPER MINI engines. Compared to other generators, they're lightweight, require less space for operation, and have a broader range of possible applications.
